Dear customer,
Dear Sir/Madam,

Thank you for your request and your interest in our products and services. We are pleased to submit our offer below based on your requests and the information provided by you.

The prices listed below are net prices, excluding installation costs and VAT, and are valid exclusively when ordering all offered positions. In case of any deviation from this offer, we reserve the right to change the price or the payment terms accordingly.

This offer will be valid and binding for 60 days.

If you have a desired delivery date, request a partial or express delivery or delivery to a different address, please let us know at the latest when placing the order. We will confirm this - if possible - in the order confirmation and indicate any additional costs. In principle, all products are manufactured by us individually per order. For this reason, a return, an exchange, or a change after the order is confirmed is excluded. A change of the desired delivery date and delivery destination is only possible after timely information and written approval on our part.

We hope that our offer will find your interest and we are looking forward to our collaboration.

Kind regards,
Rute Bernardo
